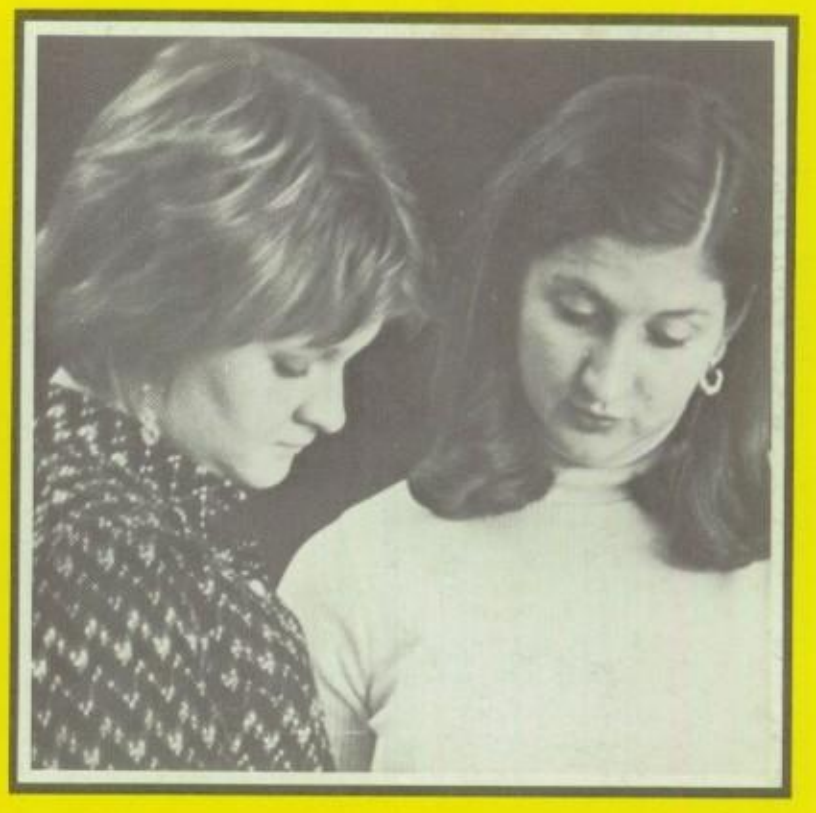
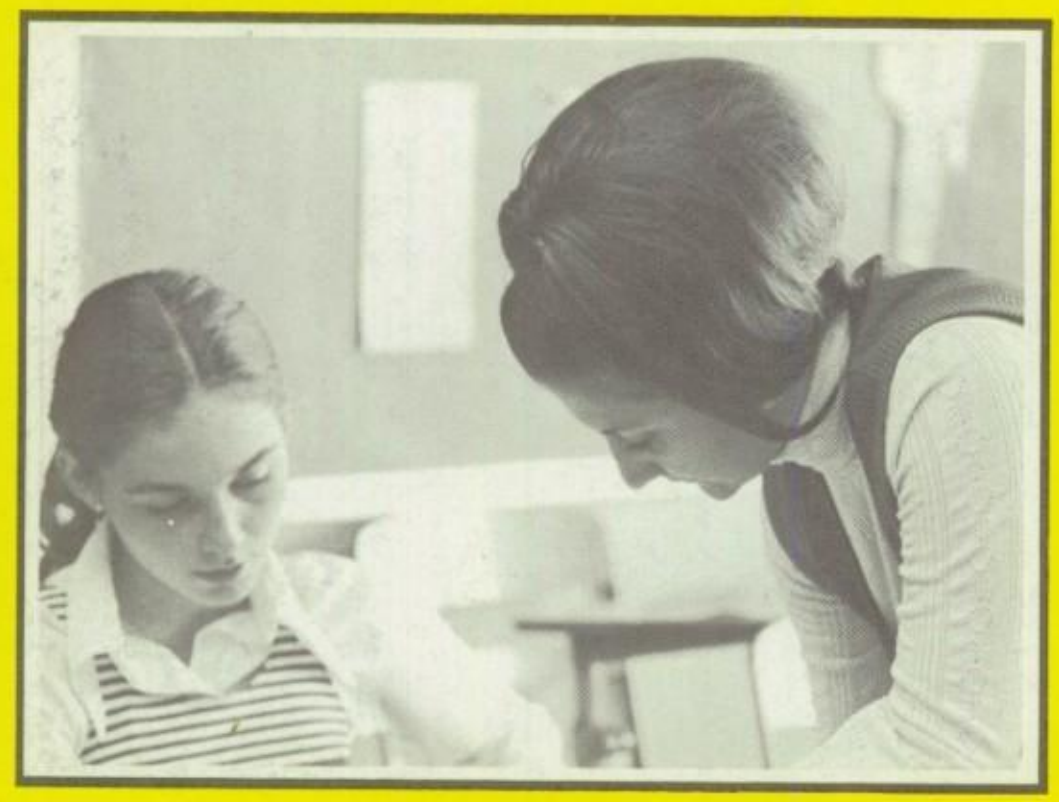
Volume XIV





Smiling, cheerful, helpful, enthusiastic — that is Mrs. Vicki Norman. As a teacher, we will remember her as taking a personal interest in each student. As an Annual Staff Advisor, we will remember her as a very patient individual who gave so much of her time unselfishly. But most of all we will remember her as our friend. For this reason, we, the class of 1974 dedicate THE ECHO to Mrs. Vicki Norman.

A year of changes for classes – a change in time ... a change in location for some ... a change too often in temperature ... a change to semester English courses. Classes were much more crowded this year since the math building was not used. So many students expressed an interest in the drama department, that it was extended from one to four classes. The art, music, and drama departments combined to have another Arts in Action Week. It was a year of adapting to new situations and despite the changes, it was a year of learning.

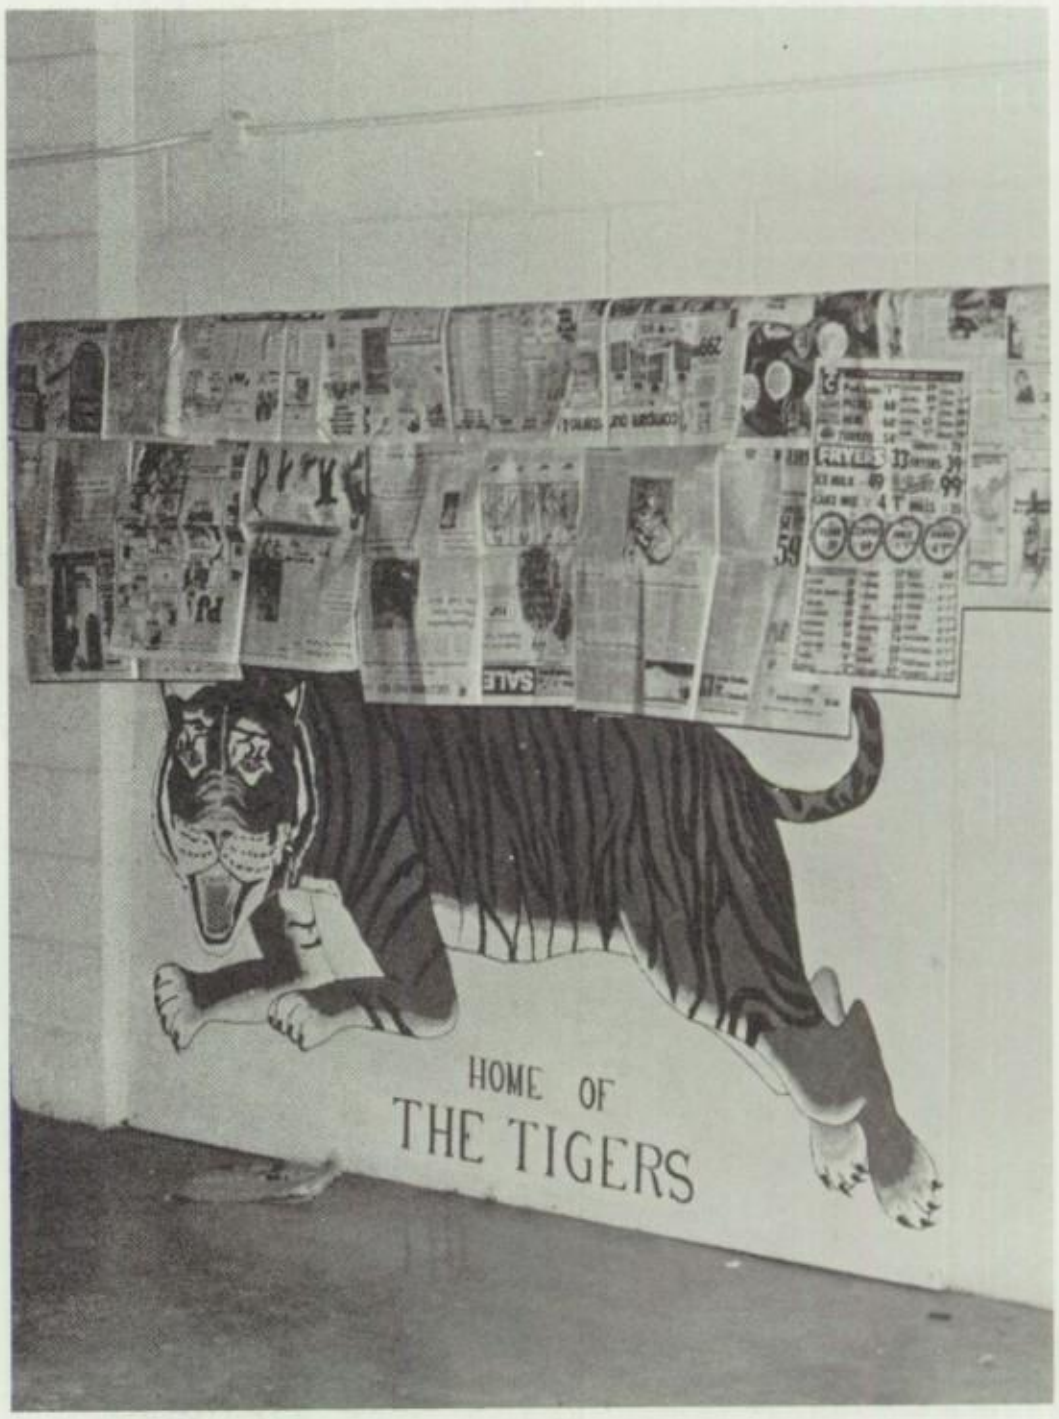
It was planned before Christmas . . . it was finished after Valentine's Day.

Student Council's main project this year besides the "Tiger" was to paint the downstairs.

Student Council and the student body are to be commended for TRYING to make RHS a little more attractive.



The spirit of Student Council is seen in every segment of student life at Ragsdale. From bicycles to cars, to voting, our Student Council is active.

Even to donating a tiger to the state zoo!

a time to compete

On August 6, 1973, a group of sixty young men reported for the annual summer football practice. By the time of the first game against High Point Central, only the forty most dedicated remained. After impressive victories over such foes as Southeast Guilford, Western Guilford, and other area schools, Ragsdale emerged as the lone contender for post-season play in the Mid-State conference. After relatively easy victories over Southern Alamance and Central Cabarrus, the Flying Tigers met the Mountaineers from Tuscola for the second consecutive year. Inspired by the memory of last year's loss, RHS defeated Tuscola and earned a trip to Elizabethton for a confrontation with the Cougars of East Bladen for the state championship. A 16-16 tie brought the Tigers back to Ragsdale as NORTH CAROLINA STATE 3-A CO-CHAMPIONS.

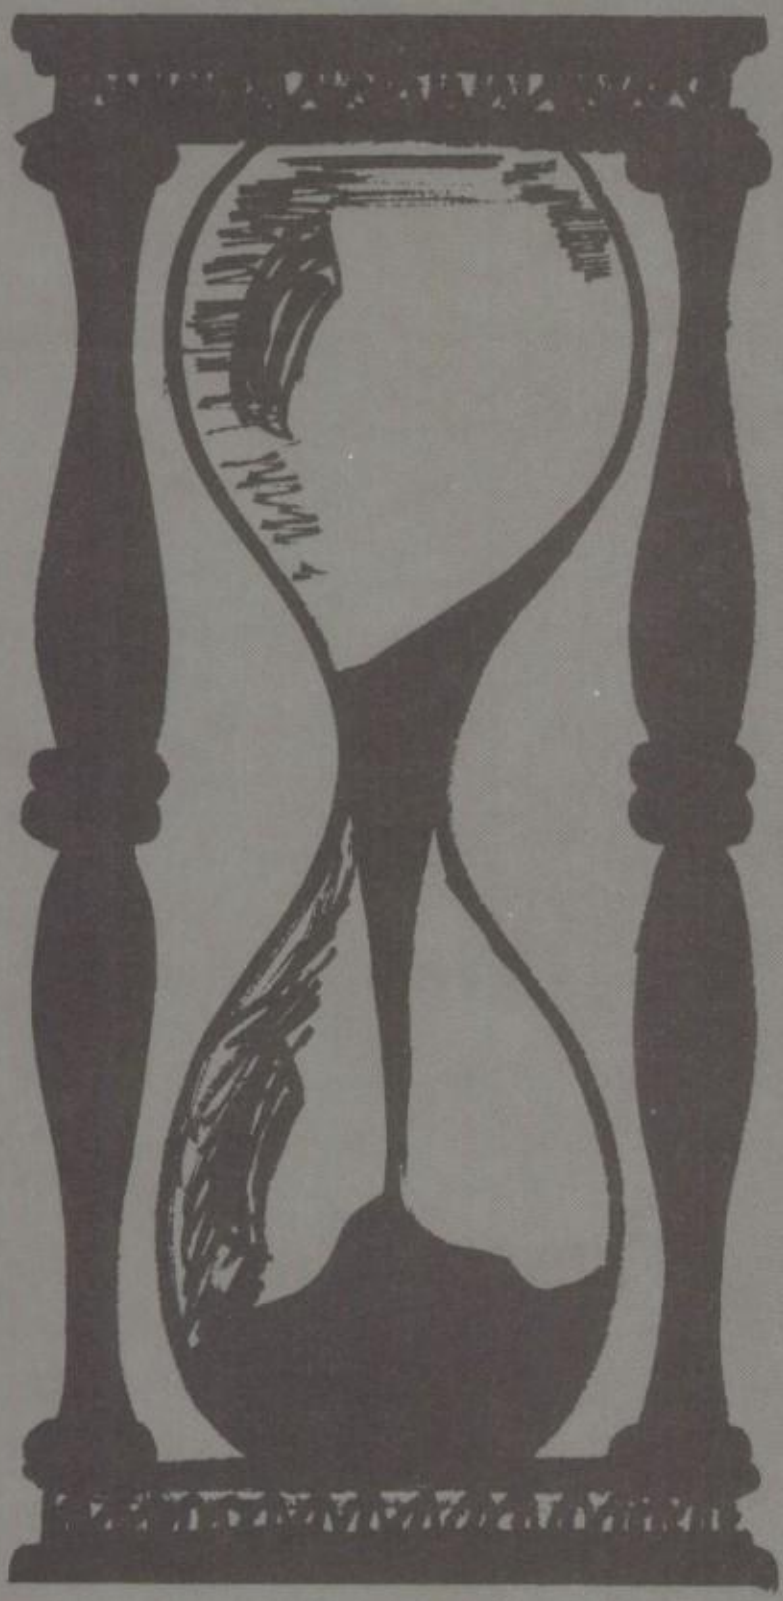
SENIORS



Our lives are at this moment a reflection of Time's mirror — the hourglass. As we anticipated our career at RHS on our first day as sophomores, those days seemed as infinite as the hourglass's sands. How would they ever slip away and bring us to the height of success for which we yearned — being a senior and graduating. But those days have slipped through our fingers and each was as different and as special and as inevitable as those grains of sand. And as each day passed, it carried with it impressions of eternities of homework and hours of laughter with friends. It is the irony of Time that we wished for those days to pass as quickly as they have; but it is the gift of Time that we may reverse the hourglass of our minds, and those days of striving, learning, and laughing can pass by once more as memories . . . of RHS and the class of '74.

JUNIORS

The middle children. Just as you think you're over the hump — you discover that you are the hump!

Your happy carefree days as a sophomore have passed. Almost two-thirds of the sands in the hour-glass are gone. But those grains were thick and passed slowly. Now the sands grow finer and your junior year is just a fistful of grains in time.

But what grains! Cheering your football heroes . . . getting your class rings . . . and going to your own prom.

Even though these grains are now only memories, you are the lucky ones. You have still more good times to come.

Three juniors suffer through club initiation.

and last but not least . . .

Teresa Younts

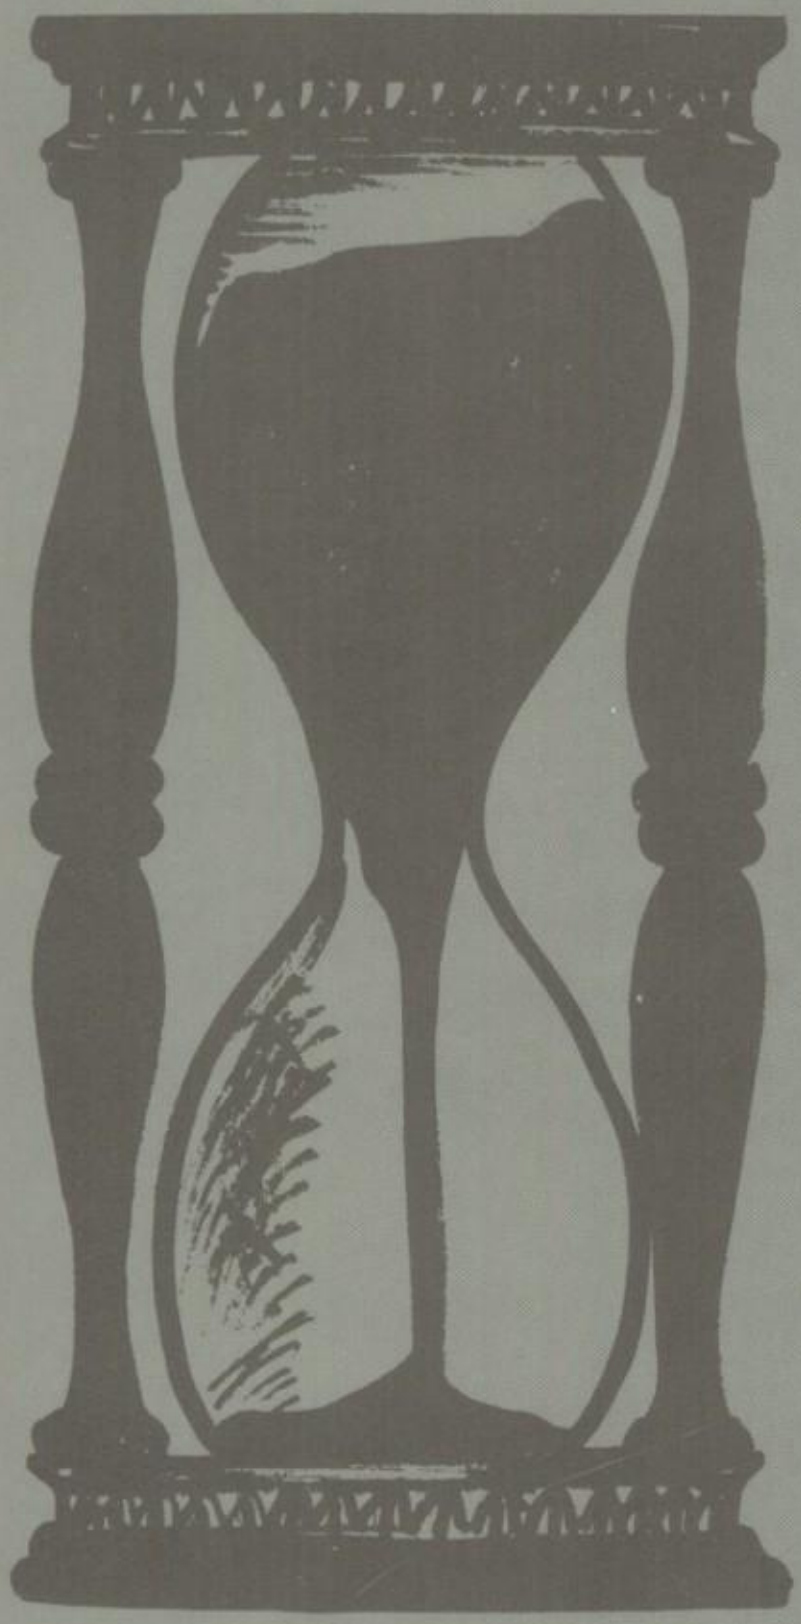
The loud laugh betrays the vacant mind.

Anon.

Are you goofing off again?

. . . and if he ever finds out.

SOPHOMORES



Bittersweet . . . is the life of a sophomore. As always a new crop of sophomores plagues the upperclassmen. Always underfoot, sometimes silly, and never quiet . . . but what would Ragsdale do without them! Each sophomore class seems to get larger and sophs are crawling out of the woodwork and classrooms and the cafeteria and the backhall. We'd have more assemblies and pep rallies, but there's just too many of "them".

Sophomores are at the bottom of the hill, and they have a long hard climb before them. But after they have reached the top and are looking back at all their days at RHS, they will wonder how it all slipped by so quickly.

Sophomore girl gets into the "Tiger" groove.

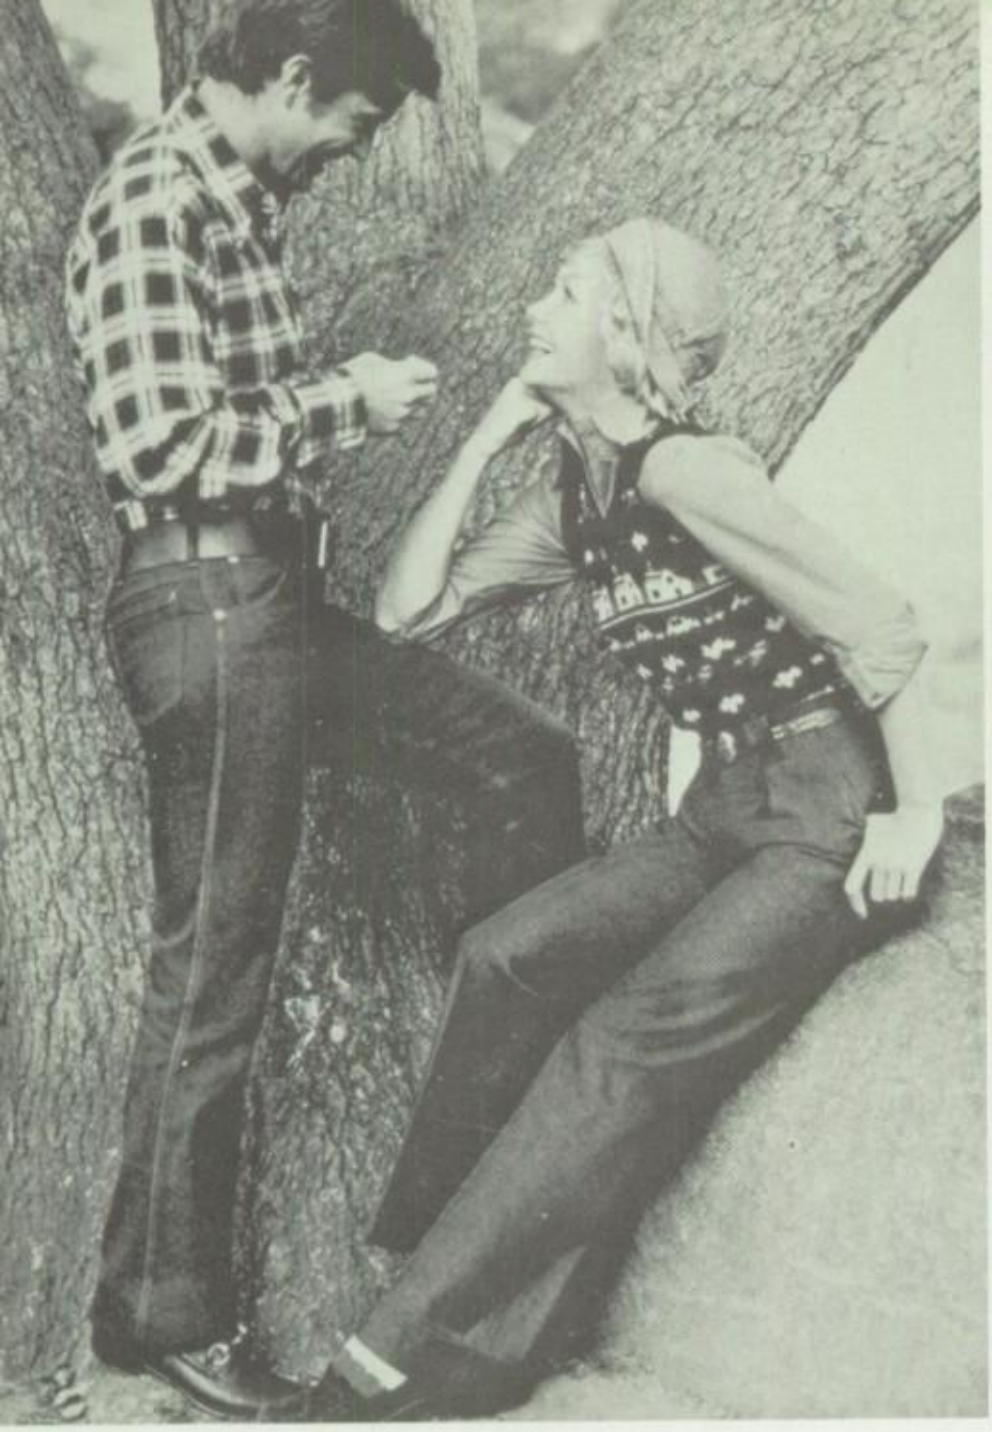
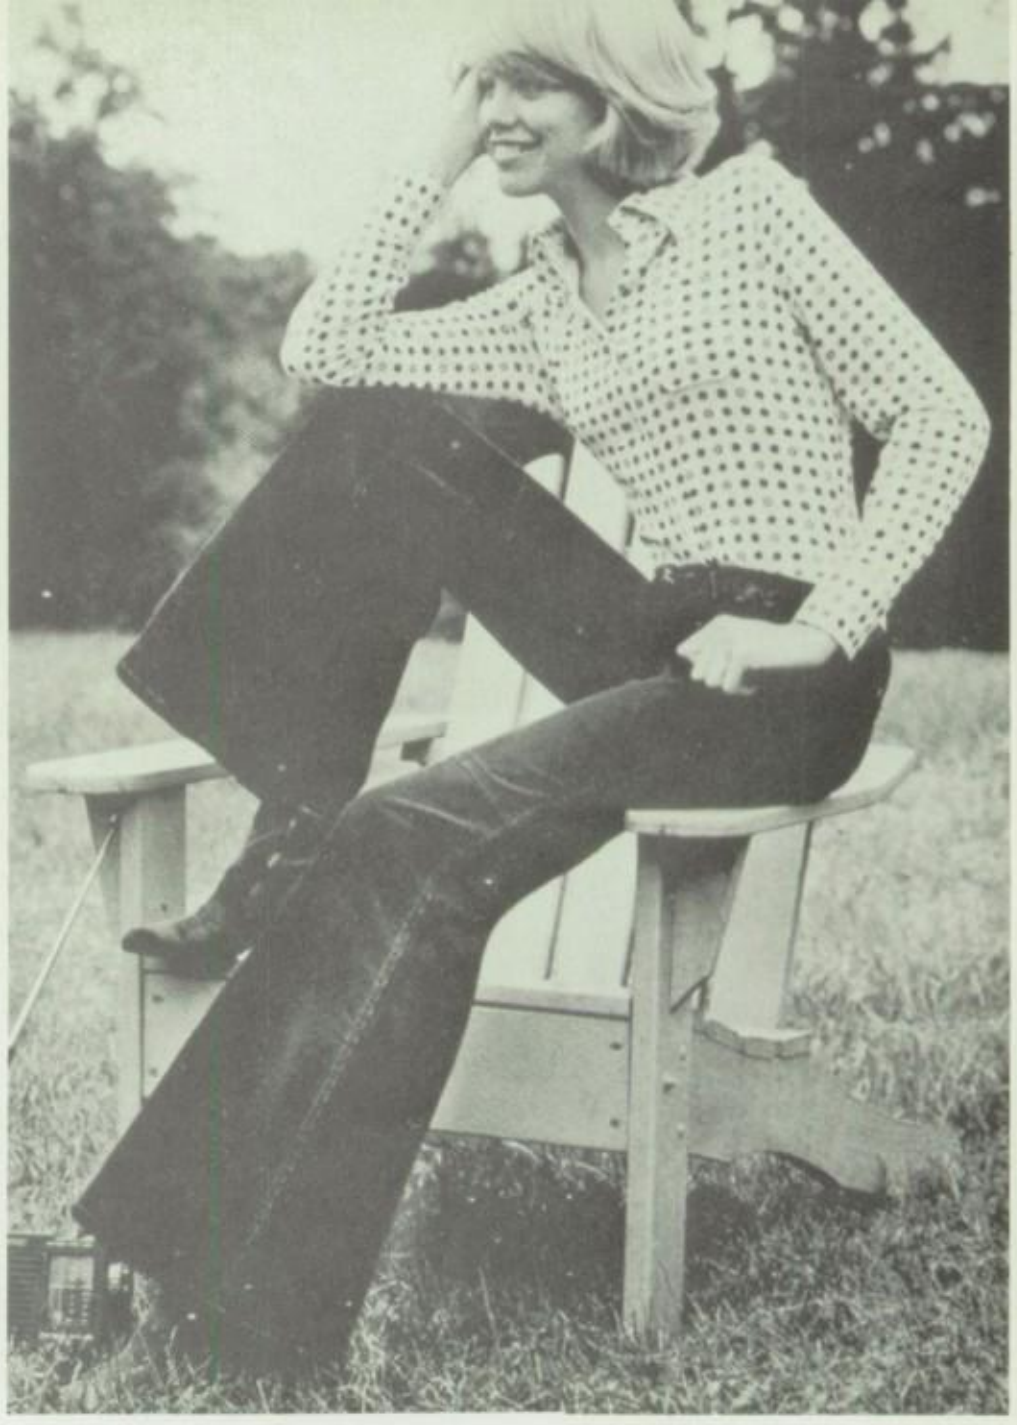
ALLEN DISPLAYS, INCORPORATED

GREENSBORO, N. C.





Cone — champion of casual living for 79 years.
We came to light with denim — and soon
shone as one of the world's leading fabric makers.
Next came Cone corduroy, an equal success.
And that's just part of the picture. Today,
Cone leads the way with fabrics that are the
backbone of sportswear, sleepwear, uniform
and career apparel. Knits, drapery fabrics,
home-sewing fabrics, towels, bedspreads —
even polyurethane foam is on our roster.
Wherever fabric is part
of fashion, the fabric
is Cone. It's a lifestyle
all its own.

Established in 1897

Sechrest Funeral Home is unexcelled in the South for modern design and facilities. Located in the park-like setting of 4½ acres. Paved and lighted parking for 200 cars. Spacious chapel seats over 200.

Sechrest Service has been described as "excellence based on experience." And it is true that since 1897 our constant ideal has been that through reverence, tenderness and beauty in final rites, every funeral shall clearly express a family's deepest love for a departed one. Whether arrangements are for a modest or elaborate ceremony, Sechrest creates an impressive and long-remembered tribute, complete in every detail and within every family's means.
